

Harlem Globe Trotter Outing

March 31, 2012 2pm

The TD Garden Downtown Boston

Directions

The TD Garden is located in Boston's Downtown North section on Causeway Street, minutes from the historic North End and Faneuil Hall. Ticketed patrons should enter the TD Garden through the North Station terminal, on Nashua Street or on Legends Way.

If you are driving to the TD Garden, keep in mind that typical backups on local streets begin about one hour before the scheduled game or event.

Traffic delays are especially common in the following locations: Leverett Circle, Storrow Drive East, Martha Road, and Causeway Street.

From the West

Take Mass Pike East to Interstate 93N to Boston. Enter 93 N Tunnel. Take Exit 26/Storrow Drive. After exiting, stay in the left lane and follow signs for North Station. Make a right at the next set of lights onto Nashua Street. Follow Nashua Street until the end and make a left at the lights. The TD Garden will be on your left.

Alternative Route:

Depending on where you plan to park for a TD Garden event, you may also consider taking Exit 23/Gov't Center off the 93 N Tunnel. After exiting, get in the right lane. At the top of the exit, at the first traffic light, stay straight and follow the sign for North Station. Merge into right lane. This is Cross Street. Stay to the right and go through 2 sets of traffic lights. Make a right at the third traffic light. At the fourth traffic light, fork left onto Medford Street. Take Medford Street to the end and turn left onto Causeway Street. The TD Garden will be on your right.

If you plan on driving your family or carpooling with any other cub scout family to this outing please fill out a BSA transportation form and turn it in with your outing sign up form and payment.
