

Cub Scouts Pack 130

Maynard, MA

November, 2011

Please RSVP for January Pack Meeting

Don't forget to RSVP (acceptances or regrets) for the January Pack Meeting/Overnight if you haven't yet. We need to give the Elks a good headcount so they can plan the appropriate amount of food and activities. Please fill out the form or send an email to jeanepatterson@yahoo.com.

Sign up for USS Salem Overnight

In addition to the overnight pack meeting in January, we will also be having an overnight trip on the U.S.S. Salem in March. Sign up now to make sure that you'll be able to join in on this unique experience.

Pinewood Derby Kits Available

Time to pick up your Pinewood Derby kit!

Each scout is allowed one free kit. We have some extra kits that can be purchased for \$4 if needed. Other family members — dads, grandfathers, siblings, cousins — can also buy a kit and race for glory (sorry - no trophies for the family division).

The Derby is on February 11, registration is on the 9th.

Do you have an upcoming event that you would like to let the Pack know about? Would you like to share the details of a successful outing?

Contact the Newsletter Coordinator, Adam Crossland through email at adam.crossland@gmail.com.

Pack Meeting Hallway Rules

Mrs. Dankner, the Green Meadow principal, expressed that there have been issues with people accessing parts of the building that they shouldn't be out of school hours. We have a standing pack policy that the boys are only supposed to be in the cafeteria unless accompanied by a parent/partner if they need to get a drink from the water fountain or use the bathroom. All other areas including the ramp at the entrance and the stage are off limits.

At all future pack meetings, we will be more strictly enforcing the rules as follows: the boys are only allowed to pass through the foyer into the cafeteria. They are not allowed on the ramps in the foyer, the stage, or in any of the hallways. There will be a pack leader/volunteer at all of the stairs. The scout must be accompanied by a parent/partner for them to enter the hallway. They are only allowed to get a drink of water or use the bathroom. The adult with them must wait in the hallway for them and accompany them back to the cafeteria. The monitors at the stairs will make them go get their parent/partner if they attempt to pass without one.

*All of your essential Pack 130 information is available on the Web at **web.maynard.ma.us/cubs130**.*

Pack Committee Meetings

Want to have more say on how the events are run? Try coming to a pack committee meeting! Any interested parent can come. It meets one hour a month. We especially need representation from some of the younger dens to ensure that their needs are being met.

Next meeting is Tuesday, December 6th, 8pm, 37 Great Rd.
