

Cub Scouts Pack 130

Maynard, MA

October, 2011

Headcount Needed!

Please fill out our head count survey for the January Overnight tonight! We need to get a good estimate so we can plan with the Elks - Thanks!

Our January Pack Meeting will be a night of fun and games at the Maynard Elks Club. This is something new we are trying, so it is wide open as to how we organize it. If you'd like to get involved, our first planning meeting is Tuesday, Oct. 4th, 7pm at the Elks.

New Overnight Trip

In addition to our special overnight Pack meeting in January, we will be having an optional overnight trip on Saturday, March 10 aboard the U.S.S Salem.

More details will be announced soon.

Do you have an upcoming event that you would like to let the Pack know about? Would you like to share the details of a successful outing?

Contact the Newsletter Coordinator, Adam Crossland through email at adam.crossland@gmail.com.

Are you getting our emails?

Any cub scout announcements will come via e-mail. If you haven't received any yet, please adjust your SPAM filters or provide an alternative e-mail that we can contact you at. If you are interested in knowing more details of events as they are being planned, ask to be added to our leader's e-mail list.

Pack Committee Meetings

Want to have more say on how the events are run? Try coming to a pack committee meeting! Any interested parent can come. It meets one hour a month. We especially need representation from some of the younger dens to ensure that their needs are being met.

Next meeting is Tuesday, October 18th, 8pm, 37 Great Rd.

*All of your essential Pack 130 information is available on the Web at **web.maynard.ma.us/cubs130**.*

Webmaster Grady Sharpe welcomes your ideas, feedback and submissions through email at grady.sharpe@verizon.net

Participate!

There are many ways that scouts and their adult partners can participate in and share with the Pack.

Do you have an interesting hobby that you could share as a short presentation at a pack meeting? Let us know!

Consider volunteering for one of the many jobs that keep our Pack going. We still need Pack Committee members, Trip Coordinators and Derby Coordinators.
