

Cub Scouts Pack 130

Maynard, MA

September, 2011

Special Pack Meeting for January

Our January Pack Meeting will be a night of fun and games at the Maynard Elks Club. This is something new we are trying, so it is wide open as to how we organize it. If you'd like to get involved, our first planning meeting is Tuesday, Oct. 4th, 7pm at the Elks.

Are you getting our emails?

Any cub scout announcements will come via e-mail. If you haven't received any yet, please adjust your SPAM filters or provide an alternative e-mail that we can contact you at. If you are interested in knowing more details of events as they are being planned, ask to be added to our leader's e-mail list.

All of your essential Pack 130 information is available on the Web at web.maynard.ma.us/cubs130.

Webmaster Grady Sharpe welcomes your ideas, feedback and submissions through email at grady.sharpe@verizon.net

Pack Committee Meetings

Want to have more say on how the events are run? Try coming to a pack committee meeting! Any interested parent can come. It meets one hour a month. We especially need representation from some of the younger dens to ensure that their needs are being met.

Next meeting is Tuesday, October 18th, 8pm, 37 Great Rd.

Do you have an upcoming event that you would like to let the Pack know about? Would you like to share the details of a successful outing?

Contact the Newsletter Coordinator, Adam Crossland through email at adam.crossland@gmail.com.

Pack 130 Calendar

October

14: Pack Meeting, 7p.m. at Green Meadow School

November

3: Space Derby Registration – drop off rockets between 6:30 and 8 pm at St. Bridget's Hall

5: Space Derby – 1-3:30 St. Bridget's Hall

Participate!

There are many ways that scouts and their adult partners can participate in and share with the Pack.

Do you have an interesting hobby that you could share as a short presentation at a pack meeting? Let us know!

Consider volunteering for one of the many jobs that keep our Pack going. We still need Pack Committee members, Trip Coordinators and Derby Coordinators.
