 - Call 978-897-7194 ahead of time to schedule a pickup. Call now.

Mar 12

9am- Noon

Bottle Drive

- Drop Off at main Clock Tower Parking Lot
- Returnables only

RECYCLE: Why not just throw it away?

In Massachusetts it's illegal to put certain electronic equipment in a landfill. It's bad for the environment. CRT Recycling Inc. of Brockton, Mass., will recycle or re-use almost everything we collect, so no harmful electronic waste will be disposed.

Low prices : these prices are LESS than what other towns charge for most items.

100% Contribution: this event is run solely by scouts, parents, and volunteers. All proceeds go directly to support the Scouting program here in Maynard. Help send needy youth to summer camp!

• Pickup Fee is \$5 per household. For Out-of-Town pickups there is a Minimum Order Size of \$30.
